Dear Mr. Newby,

We are pleased to inform you that the Planning Template submitted by your cluster for Year 3 (2009-10) activities of the Student Support Leadership initiative has been approved. Each cluster plan was reviewed and evaluated by staff from the Ministries of Education and Children and Youth Services in accordance with the requirements outlined in the 2009-10 Planning Template provided to each cluster. A transfer payment agreement will be sent to your cluster's Lead Board shortly.

We would also like to remind you that each cluster, through its lead school board, will be required to submit a year end report, signed by the chief financial officer, outlining how the funds received for Year 2 (2008-09) under this initiative were spent. A template for reporting this information will be forwarded to you shortly.

Once again, we'd like to thank you and your cluster members for your work to date on the Student Support Leadership initiative in your area.

Should you have any questions regarding the Student Support Leadership initiative, please call your regional ministry staff contact.
