| <p>10.</p> | <p>Network Updates</p> <ul style="list-style-type: none"> ➤ Best Start Network ➤ CTN ➤ TAY SoS | <p>Best Start Network: Lora gave updates from the Infant and Child Mental Health Task Group and the Best Start Child and Family Centers Task Group. Infant and Child Mental Health Task Group are gathering information .for practice and policy (SEE Addendum from Lora attached to these minutes). A draft report will be reviewed and combine with all communities for recommendation from Hospital for Sick Children. The current hosted modules with Hospital for Sick Children will continue and interested people can still complete the modules for certification.</p> <p>Best Start child and family center task group: The Province will set up community hubs which are similar to the Best Start hubs but slightly different and the task group is waiting to hear from advisory to bring recommendations. Best Start is getting ready for these hubs. Lora will have a summary to share. The Innisfil hub will launch in June. Penetang will have a hub to engage the FNMI community and La Cle.</p> <p>Lora encourages members to see the Best Start Network minutes. The Service Map Tool is changed to community maps and an excellent tool for front line staff.</p> <p>The Best Start Professional Development (PD) Committee has a community learning library and are able to buy a learning management system and have purchased 2000 seats. In March, the 3 year funding ends and will be looking to the Coalition to fund as partnership for this system PD library. Workplace Hazardous Materials Information System (WHIMIS) and Workplace Health and Safety are included in this library. Smaller organizations could go in and do this training. There is a new Autism Spectrum Disorder module from Surrey Place.</p> | <p>Sharon to send Best Start notes from Lora to Planning Table Members and attach as an Addendum included in these Minutes.</p> |

| | | | |

| | | <p>The “Working Together to Make our Kids Successful” Promoting positive mental health, well-being and resiliency in our children” - May 7, 2015 at Liberty North from 6:30 to 8:00 pm with Dr Bruce Ferguson had 150 parents and service providers. The participants would like more of these events. Lots of parents of youth with serious mental health issues attended and this event was very well received.</p> | |
| 11. | Meeting Reflections | | |

Next Meeting: Tues. June 9, 1:30 – 4:00pm, Common Roof (165 Ferris Lane, Barrie) – Board Room

ADDENDUM – Notes from Lora D’Ambrosio for Best Start Network Updates for Planning Table, May 12, 2015:

Best Start Network of Simcoe County- Updates from Lora D’Ambrosio

Infant and Child Mental Health Task Group

- Best Start Task group members continue to work with Chaya from the Hospital for Sick Children on the Infant Mental Health Promotion initiative. Simcoe was selected as one of 6 selected communities to work on the initiative.
The final draft of the report “Supporting Infant Mental Health in Simcoe County- *A collaborative Approach to Embedding the Science of Infant Mental Health in Practice and Policy*” is being finalized this week.
Project addresses:
 - Prevailing definition of infant mental health
 - Importance of Early years and shaping outcomes throughout an individual’s life
 - Environmental scan
 - Methodology of community selection
 - Data Collection: Learning about the community’s policies, practices and state of knowledge specific to Infant Mental Health
 - Core Prevention and Intervention for the Early Years
 - Competencies for Practice in the field of Infant Mental Health
 - Organizational policies and Practices- What’s happening in Simcoe County today?

Best Start Child and Family Centres Task Group

Best Start Network task group members are working to collect data and information for the possible expansion of Best Start Child and Family Centres in Simcoe County.

- Collection of Data to identify most vulnerable communities in Simcoe County (report available in June 2015)
- Launch of Innisfil BSCFC on Saturday May 23, 2015
- Family Celebration at Penetanguishene BSCFC on Saturday June
- Community Service Maps: An excellent desk top tool for referrals

<http://maps.simcoe.ca/Public/?MODE=theme&THEME=BESTSTART>

Community Hubs

Premier Kathleen Wynne has appointed Karen Pitre as Special Advisor on Community Hubs. Karen will chair the new Premier's Community Hub Framework Advisory group

<http://www.ontario.ca/communityhubs>

Professional Development Committee

- The annual PD Survey will be distributed to Early Years providers (Childcare, Best Start network member agencies, Early Intervention, School Board teaching Teams, OEYC) Results from the survey will be addressed in the planning for 2015-16
- Community Learning Library- Online resources available to partners

Modules in the CLL:

- WHMIS
- Workplace Health and Safety
- Dr. Jean Clinton- Conference 2014 Keynote
- Dr. Templeman- Conference 2014 Keynote
- Early Screening Initiative in Simcoe County
- Autism Spectrum Disorder

To register for a login name and password with the Community Learning Library, please send a request that includes your name, agency, and email to the following:

support@ctnsy.zendesk.com

The task group is currently working on a budget for sustainability of the Learning Management System beyond March 2016.

- *“Working Together to Make our Kids Successful”* with Dr. Bruce Ferguson- promoting positive mental health, well-being and resiliency in our children. Partnership with Simcoe Muskoka Catholic District School Board, County of Simcoe and Best Start Member agencies. Funded by MEDU through Parent Engagement grant. The event was well attended by 150 parents and service providers. Excellent feedback was received about the speaker, the workshop for parents and resources. Parents want to see more events like this in the future.
