STORY BEHIND THE DATA							
<p>The Child, Youth and Family Services (CYFS) Coalition of Simcoe County is a countywide alliance of organizations providing services to children, youth and their families in Simcoe County. The Coalition's strategic plan has identified four outcomes that support the resiliency of children and youth; all Coalition working groups are measuring their progress in supporting these outcomes. The data examples above illustrate how the work of the Coalition's working groups contribute towards building resilient children and youth in our community.</p>
